The Human Viewpoint  
of  
Human Happiness**

Today's Bible Classes will consist of videos of some the "World's" leading experts on "Happiness". These experts will discuss, for the most part, the Materialist/Evolutionist point of view, with a little of their "Acceptable Religious" Approach (which will be Non-Christian, of course).

Please note the references to the failure of various Happiness Attainment Motivators (HAM's) and the alternative approach of other HAM's to attain Happiness.

HAM's:  
Chemical  
Religious  
Approbation  
Materialism  
Power  
Sex
